

Benefits That Power Performance

Your career is a mission. We equip you to win.

Benefits aren't just perks, they're strategic tools that fuel innovation, accelerate careers, and support mission-critical performance. From day one, we invest in your ability to grow, compete, and lead.

Your Health, Your Edge

Stay mission-ready with flexible medical plans, day-one coverage, and built-in wellness support:

- Multiple medical, dental, and vision plan options
- Free virtual care and mental health resources
- Wellness discounts and preventative care options

Investing in the Best: Your Financial Future

We reward excellence with:

- Competitive 401(k) match plus additional company contributions
- Annual performance-based bonus eligibility
- Personalized financial planning and coaching

Family Benefits That Scale

Supporting elite performance includes recognizing personal responsibilities:

- Paid parental leave for birth, adoptive, and foster parents
- Fertility and family-building services
- Resources to ensure employees can stay fully focused on the mission

Career Acceleration, Backed by Investment

We equip our people to lead from the front with:

- Tuition assistance for degrees, certifications, and technical training
- Leadership development, mentoring, and internal mobility opportunities
- Reimbursement for professional development that sharpens your competitive edge

Resilience Resources When You Need Them

- Confidential support for mental, legal, financial, and family needs
- Tools to maintain focus and stability in high-performance environments
